

CQUniversity Australia 2011 Domestic Tuition Fees Schedule

The 2011 Tuition Fee Schedule is effective from 1/1/2011 and replaces all Schedules previously issued. Tuition Fees are reviewed annually and published by 1st October each year for the following year.

Tuition Fees for each course of enrolment are calculated per unit of credit. Except where otherwise indicated, examples of “Fee per Course” in the Schedule assume that fees are calculated for:

- a standard UNDERGRADUATE course of 6 units of credit; or
- a standard POSTGRADUATE course of 8 units of credit.

However, courses may have a unit of credit value different to the standard value – please check the Student Handbook for information on units of credit per course.

Fees applicable to domestic students for each course offered by CQUniversity are also published in the Cost per Course table at <http://studentfinance.cqu.edu.au/FCWViewer/view.do?page=3755>.

Students are advised to check the **Calendar of Principal Dates** each term for information about the last date for all students to withdraw without financial penalty. NOTE: These dates apply to full fee paying students, domestic and international, Commonwealth supported students and those with FEE-HELP assistance.
