

CQUniversity Australia 2014 Tuition Fee Schedule - International students

The 2014 Tuition Fee Schedule is effective from 1 January 2014 and replaces all Schedules previously issued. Tuition Fees are reviewed annually and whenever possible published on 1st October each year for the following year.

Tuition Fees for each course of enrolment are calculated per unit of credit. Except where otherwise indicated, examples of “Fee per Course” in the Schedule assume that fees are calculated for:

- a standard UNDERGRADUATE course of 6 units of credit; or
- a standard POSTGRADUATE course of 8 units of credit.

Courses may, however, have a unit of credit value different to the standard value – please check the **Student Handbook** for information on units of credit per course. <http://handbook.cqu.edu.au/>

Students are advised to check the **Calendar of Principal Dates** in the **Student Handbook** each term for information about the last date for all students to withdraw without financial penalty. NOTE: These dates apply to full fee paying students, international and domestic, including those approved for FEE-HELP assistance, and Commonwealth supported students. <http://handbook.cqu.edu.au/>

CQUniversity policies relevant to payment of fees include the Collections Policy and Collections Procedures, and the Refund Policy, Refund Principles and Refund Procedures: <http://policy.cqu.edu.au/Policy/>.
