

2017 Tuition Fee Schedule – Domestic students

This 2017 Tuition Fee Schedule is effective from 1 January 2017 and replaces all Schedules previously issued. Tuition Fees are reviewed annually and can increase from year to year. Whenever possible Tuition Fees are published on 1 October each year for the following year.

Tuition Fees for each unit of study are calculated per credit point. Except where otherwise indicated, examples of “Fee per Unit” in the Schedule assume a standard unit of **6 credit points**. Individual units may, however, have a credit point value different to the standard value – please check the **Student Handbook** (<http://handbook.cqu.edu.au/>) for information on credit points for each unit.

Fees for each unit offered by CQUniversity to domestic students are also published in the Cost per Unit (Domestic students) table at <https://www.cqu.edu.au/student-life/student-finances/fees-and-charges/degree-level-students>.

Students are advised to check the **Calendar of Principal Dates** in the **Student Handbook** (<http://handbook.cqu.edu.au/>) each term for information about the last date to withdraw without financial liability. NOTE: These dates apply to ALL STUDENTS (international and domestic, full fee paying - including those approved for FEE-HELP assistance, research higher degree candidates, and Commonwealth supported students).

CQUniversity policies relevant to the payment of fees include the Collections Policy and Procedure, and the Refund and Excess Payments (Credit Balances) Policy and Procedure. All University policies can be accessed at <http://policy.cqu.edu.au/Policy/>.
