

## 2025 Tuition Fee Schedule – Domestic Students

This 2025 Tuition Fee Schedule is effective from 1 January 2025 and replaces all Schedules previously issued:

- Tuition Fees are reviewed annually and can increase from year to year.
- The actual cost of study in any term cannot be determined until you enrol.
- Once enrolled, you will be able to view your account online in MyCQU and generate a Fee Notice.
- The Fee Notice will detail the tuition fee charged for each unit enrolment and any payments, discounts or other credits allocated to pay/part pay those fees.
- Account details and Fee Notices are not available until fees have been calculated.
- Fees are usually calculated in December [research candidates], January [Be Different, ELICOS, GC Research] and February [all other students] then calculate on enrolment after that.

**Tuition Fees for each unit of study are calculated per credit point.** Except where otherwise indicated, examples of “Fee per Unit” in the Schedule assume a standard unit of **6 credit points**. Individual units may, however, have a credit point value different to the standard value – please check the **Student Handbook** (<https://handbook.cqu.edu.au/>) for information on credit points for each unit.

**CQUniversity policies** relevant to the payment of fees include the *Collections Policy and Procedure* and the *Student Refund and Credit Balance Policy and Procedure*. All University policies can be accessed at <https://www.cqu.edu.au/policy>.

Students are advised to check the [2025 Academic Calendar of Principal Dates](#) in the **CQUni Handbook** each term for information about the last date to withdraw without financial liability. NOTE: Census dates for withdrawal without financial liability apply to ALL STUDENTS (international and domestic) **EXCEPT** those in research higher degrees\*.

**\*IMPORTANT:** Research study is time-based, not credit based. Students consume efts1 in funded places and are charged tuition fees if not in a funded place for each day they are enrolled. Withdrawing from a unit or course prior to census date does not remove any financial liability incurred prior to withdrawal nor recredit any funded efts1.

**NOTE:** Students in courses with a monthly intake, e.g. CL58 GC Research, or those on the Be Different platform, will have different census dates to the standard Terms 1, 2 & 3 – students should refer to their Fee Notice or course web site for the due (census) date in this case. Alternatively, check the [2025 Academic Calendar – Be Different Students](#).

Information about **Fees** and **Fee Notices** is in the Student Portal at <https://my.cqu.edu.au/support?pane=open&content=article&article=%2Fsupport%2FArticles%2FGuides%2FInstruction-and-information-sheets>.

**Enquiries** from students and non-students about Fees, Fee Notices and due dates can be directed to:

E-mail [sat@cqu.edu.au](mailto:sat@cqu.edu.au)

Phone 13 2786 or +61 7 4930 9000 if phoning from outside Australia

Or contact your **Campus administration**: contact details for each CQUniversity location are published at <https://www.cqu.edu.au/about-us/locations>.
