RANKED TOP 4

We are ranked in the top four Australian universities for full-time employment rates for our undergraduate students.[1]

FIVE-STAR UNI

We're ranked #1 in Australia for social equity and rated five stars for student support and full-time employment.[1]

MAKING A DIFFERENCE

We're proud to be recognised in the top 30 sustainable universities worldwide and as Australia's first and only Changemaker Campus.[2]

LOCATIONS

With 13 main campuses and partner study hubs, we offer access to more than 20 locations across Australia—giving you greater choice and flexibility.

Acknowledgement to Australia's First Nations Peoples.

CQUniversity recognises and acknowledges the important role First Nations Peoples make to our communities, and values Australian Indigenous knowledge systems as an integral part of our teachings.

Discover your future

Explore how to shape your pathway from high school to Uni + TAFE.

Whether you're entering senior school or preparing for graduation, our High School Students' Course Directory has been created to point you in the right direction.

Discover exciting career options and course pathways. Ensure you're on track to meet entry requirements and explore alternative routes into our courses. Whatever stage you're at in your planning, we're here to help you find your way.

PLANNING

Check prerequisites to guide your subject selection in Year 10 from page 6.

IN-SCHOOL STUDY OPTIONS

Kickstart your TAFE or university education while still in high school. Explore our Start TAFE Now (STN) and Start Uni Now (SUN) programs on page 41.

GRADUATING

Review admission ranks and entry requirements for your preferred course, or find an alternate entry pathway to your dream course on page 43.

How to use this guide

COURSE

Use the course code and name to search cqu.edu.au and learn more about the courses that interest you. TAFE courses may be marked with Ⓢ This means the course may be delivered via the Start TAFE Now (STN) program.

INTAKE

Intake is the time of year you can start a course. We have three terms: Term 1 starts in March, Term 2 starts in July and Term 3 starts in November. TAFE courses may list the months they begin, or 'multiple', meaning they may have many intakes so it's best to check our website.

AVAILABILITY

CQU has 20+ locations around Australia. To fit them in this guide we've used abbreviations for our main campus locations, which you can find in the legend below.[1] Some courses also offer online or mixed mode study options. To learn more visit cqu.edu.au/study#choose-your-mode.

Visual Arts					
CUA31125 Certificate III in Visual Arts	Multiple	ROK, Online	ⓘ		
CA10 Bachelor of Arts	T1, T2	ROK, Online	3/6	60	English (Units 3 and 4, C)

DURATION

This is the minimum time (in years) required to complete a course full time (FT) or part time (PT). If the duration shows ⓘ visit cqu.edu.au for more information.

ATAR/SR

This is the minimum selection rank threshold. Check the Important notes on the inside back cover of this directory for more information.

PREREQUISITES

These are subjects you must have studied at school to be eligible for course entry. In brackets are units and minimum grade required to meet the prerequisite. If you don't have the prerequisites, our alternate entry pathways (page 43) may help you.

A uni experience to suit you

Excellent support services

Benefit from a range of student support services including orientation, assignment and exam preparation sessions, our Student Mentor Program, counselling services, course advice, career planning services, support for students with disability or medical conditions, Indigenous student support, financial support options and more.

Visit cqu.edu.au/support to find out more.

Feel at home with our accommodation options

Student residences are available at our Mackay Ooralea and Rockhampton North campuses, offering a range of long-term and short-term accommodation options.

Visit cqu.edu.au/accommodation to find out more.

Spread your wings and study abroad

As a CQUniversity student, you can choose to study and experience life in more than 30 countries across six continents. You'll discover a different lifestyle, culture and environment while earning credit towards your degree, all without lengthening the duration of your study.

Visit cqu.edu.au/exchange to find out more.

Interested in an apprenticeship?

You'll need to secure an employer before you can start your study.
Visit cqu.edu.au/apprenticeships for more information.

More study options

STILL IN SCHOOL AND WANT TO GET A HEAD START?

Start Uni Now (SUN)

SUN offers Year 10 [1], 11 and 12 students the opportunity to study CQUniversity units from university-level courses while still in secondary school. Your studies may also contribute towards your Certificate of Education (eg. QCE, WACE, SACE, or VCE). In Victoria, completion of eligible SUN units may also give you credit toward the calculation of your ATAR. You can enrol in a range of units, either on campus (face-to-face) or online, and combine them with your regular school work. After successful completion of a SUN unit, you may be eligible to apply for direct entry into your preferred course (excluding quota managed courses) and receive credit toward your degree.
For more information, visit cqu.edu.au/sun.

Start TAFE Now (STN)

STN is ideal for Year 11 and 12 students, providing an opportunity to study certificate I, certificate II, and certificate III level courses in a wide variety of disciplines.

Benefit from developing real trade skills and qualifications, while completing secondary school. In Queensland, you can study a TAFE course as part of your Queensland Certificate of Education (QCE), and earn QCE points.
To be eligible, you need to be at least 15 years of age at the commencement of classes.
For more information, visit cqu.edu.au/stn.

Year 11 students can include a TAFE certificate III qualification or higher to contribute to their Australian Tertiary Admission Rank (ATAR).

CQUniversity has options available for high schools who have teachers interested in delivering TAFE qualifications at their school in their area of expertise or specialisation. To discuss partnership opportunities, please email stn@cqu.edu.au.

APPRENTICESHIPS AND TRAINEESHIPS

The steps to becoming an apprentice or trainee are different to becoming a student at university or TAFE.

Generally, you will be required to find an employer who is willing to employ you as an apprentice or trainee. During your apprenticeship or traineeship, your employer (or Group Training Organisation /Job Services Australia provider) may arrange for you to undertake vocational education and training at CQUniversity.

Our apprenticeship and traineeship courses cover a wide range of areas.
For more information, visit cqu.edu.au/apprenticeships.

LOW-FEE COURSES

Thanks to the Queensland Government, you may be able to access a TAFE course in a high-priority area at a reduced cost.
For more information on courses and eligibility, visit cqu.edu.au/subsidy.

Skills Assure

Proud to be a Queensland Government subsidised training provider

[1] Year 10 students are eligible for Term 3 enrolment only.

Our graduate experience

GRADUATE GUARANTEE

At CQUniversity, we're proud to be recognised among the top universities in Australia for undergraduate full-time employment rates and median salary[1]. Our practical approach to education means you will graduate job ready. We're also committed to continuing to improve our graduate outcomes so that you can land your dream job.

That's why we offer our Graduate Guarantee, a peace-of-mind warranty that comes with every undergraduate-level CQUniversity degree. Graduate and secure a job in your area, or we'll support your continued learning with a Graduate Certificate in Leadership and Entrepreneurship at no cost while your search continues. Find out more at cqu.edu.au/graduateguarantee.

BEING A CQU ALUMNI

By completing a CQUniversity TAFE or university qualification, you will join our alumni cohort of 145 000+ fellow graduates.

Our active alumni program will continue to support you by providing access to career services and mentors, professional and personal development, and further opportunities for you to follow your passion and expand your experience. Learn more at cqu.edu.au/alumni.

Join over 145 000 CQU graduates.

Alternate entry pathways

Whether you're looking to meet prerequisite subjects, need a stepping stone to your dream degree and career or simply want to build your confidence before starting study, CQU is here to help.

PRINCIPAL'S RECOMMENDATION SCHEME (PRS)

Our PRS allows current Year 12 students to apply to a CQUniversity course based on the written recommendation of their high school principal rather than an ATAR. To find out more, including PRS application opening and closing dates, visit cqu.edu.au/prs.

SKILLS FOR TERTIARY EDUCATION PREPARATORY STUDIES (STEPS)

STEPS is a Centrelink-approved enabling program that can help you gain entry into university. Tailored to you and your unique study goals, STEPS is designed to help you complete prerequisite subjects, satisfy the entry requirements for your chosen degree, or give you the confidence and skills to successfully enter and undertake university study. For more information, visit cqu.edu.au/steps.

START UNI NOW (SUN)

Our SUN program is a valuable alternate entry pathway for high school students thinking about studying a CQU course. After successful completion of a SUN unit during your senior high school years, you may be eligible to apply for direct entry into your preferred course (excluding quota managed courses) and receive credit toward your degree. For more information, visit cqu.edu.au/sun.

START TAFE NOW (STN) AND VET QUALIFICATIONS

Completing a STN or VET qualification can provide an alternate pathway into university. Completing a certificate III or IV, or diploma qualification will allow you to obtain a selection rank, which may meet specified entry score requirements for many of our degrees.

If you have a completed VET qualification and you've also completed the necessary subjects to receive an ATAR, you will receive two ranks: a selection rank for your VET qualification, and an ATAR. When you apply to study with CQU, your application will be assessed on whichever score is highest.

PREPARATORY VET COURSES

CQU offers preparatory courses to help you prepare for your first step into vocational study or work. For more information, visit cqu.edu.au/pathways.

If you are an international high school student studying in Australia or in your home country, we offer a wide range of courses to suit your individual needs and interests and help you achieve your study and career ambitions.

START UNI NOW (SUN) FOR INTERNATIONAL STUDENTS

International high school students can apply to study SUN while in senior high school. Your first unit in the SUN program is free. To find out more, visit cqu.edu.au/int-sun.

PRINCIPAL'S RECOMMENDATION SCHEME (PRS)

International high school students in Year 12 are also eligible to participate in the PRS. Find more information on page 43.

CQUENGLISH

Our English language courses help you gain skills, confidence and an excellent foundation of the English language, preparing you for success in your university studies. To find out more, visit cqu.edu.au/cquenglish.

INTERNATIONAL STUDENT SCHOLARSHIPS

A range of scholarships is available to international students, to recognise strong academic performance and to enable improved access to achieve your study goals. To find out more, visit cqu.edu.au/study/internationalscholarships.

INFORMATION FOR PARENTS

Making the transition from school to university is an exciting time for many students. It can also be challenging. At CQUniversity, we understand the important role parents play in supporting their child's education journey. To find out more about the benefits of a CQU education, visit cqu.edu.au/international-parents.

HOW TO APPLY AS AN INTERNATIONAL STUDENT

As an international student in Australia, if eligible, you can apply via a Tertiary Admission Centre (QTAC or UAC). Alternatively, you can apply via our website. For more information on how to apply, visit cqu.edu.au/international-apply.

Applications for CQUniversity scholarships are submitted at the same time you apply. You may also contact one of our authorised education agent to assist you with your application. Find out more at cqu.edu.au/agents.

INTERNATIONAL ESSENTIALS

There is a range of information available that's relevant to you, including student visas, Overseas Student Health Cover (OSHC), working while studying, living costs, getting around and more. For more information, visit cqu.edu.au/studyinginaustralia.

To find information on international fees, entry requirements, course details, and more, visit cqu.edu.au/international.

Your next steps

Ready to apply?

If you've decided what you'd like to study, it's time to apply. Depending on your location, circumstances and what course you have chosen to study, you may need to apply via a Tertiary Admission Centre (QTAC or UAC), via our ApplyCQU portal, or you may be able to apply direct to CQUniversity. Find out how to apply at cqu.edu.au/apply.

Apprenticeships and Training

Traineeships and apprenticeships need to be secured with an employer before you can start your education and training. Your employer will then work with CQU to create a training program that is right for you. Visit cqu.edu.au/tafe for more information.

Important notes:

^ Courses may be delivered by a combination of on-campus study, workshops, residential schools and online education.

* Intakes, duration and availability may differ from what is listed in this guide depending on preferred intake, study mode and personal circumstances. Course commencement is dependent on sufficient enrolments. Different study periods apply for TAFE and university courses. Many TAFE courses offer multiple monthly intakes. Mixed Mode availability is unique to TAFE courses and is a combination of online learning activities in addition to compulsory site-specific learning activities. Online availability for TAFE courses may include work integrated learning, such as work placements. Please visit cqu.edu.au or contact us for more information.

The SR and ATAR listed are the entry scores required to be considered for a place in each course and should be used as a guide only. Entry to courses is competitive and the lowest rank will vary from year to year. A higher score may be required for courses where there is a limit on the number of places. To view the latest ranking information visit cqu.edu.au/courses and view the requirements information for your course of interest.

† To gain professional accreditation you will also need to complete postgraduate study.
