

Master of Nurse Practitioner (CM85)

Executive Director of Nursing (EDON) Letter of Support (In-Principle)

Date	
------	--

To Whom It May Concern,

I write in my capacity as Executive Director of Nursing to provide in-principle organisational support for:

SECTION 1: APPLICANT DETAILS

Full Name	
Position Title	
Clinical Area/ Service	
Health Service/ Organisation	
Directorate/ Division	
Service Type (e.g. acute, community, mental health)	

SECTION 2: VERIFICATION OF PROFESSIONAL STANDING

I confirm that the applicant:

- ☐ Is employed within this organisation as a Registered Nurse.
- ☐ Is regarded as a clinician practising at an advanced level within their specialty.
- ☐ Demonstrates professional integrity, accountability, and clinical credibility.

SECTION 3: SUPPORT FOR NURSE PRACTITIONER EDUCATION (IN-PRINCIPLE)

I provide in-principle support for the applicant to undertake the Master of Nurse Practitioner (CM85), and confirm that:

- ☐ The organisation supports the applicant's participation in advanced practice education.
- ☐ The applicant's proposed specialty aligns with current or emerging service needs.
- ☐ The development of Nurse Practitioner capability is consistent with workforce planning priorities.

SECTION 4: SERVICE ALIGNMENT AND WORKFORCE CONSIDERATIONS

In relation to the applicant's proposed Nurse Practitioner specialty:

- ☐ There is current or anticipated service demand for advanced practice roles.
- ☐ The applicant's development aligns with current or emerging models of care and service delivery priorities.
- ☐ The organisation recognises the potential contribution of a Nurse Practitioner role.

Commentary (100-200 words)

SECTION 5: CLINICAL LEARNING AND ORGANISATIONAL SUPPORT

I acknowledge that:

- ☐ The applicant will be required to complete supernumerary clinical hours.
- ☐ Clinical learning will require appropriate supervision and governance.
- ☐ The organisation will support, where feasible, access to a suitable clinical environment.

Note: This endorsement does not guarantee provision of a supernumerary integrated professional practice hours nor future employment as a Nurse Practitioner.

SECTION 6: STATEMENT OF SUPPORT

Based on my knowledge of the applicant and the service context, I support their application to undertake Nurse Practitioner education and consider them:

- ☐ Suitable for advanced practice development.
- ☐ Likely to contribute positively to service delivery and patient outcomes.
- ☐ Capable of progressing toward Nurse Practitioner-level practice.

SECTION 7: DECLARATION

I confirm that this letter reflects in-principle organisational support for the applicant's enrolment in the Master of Nurse Practitioner (CM85) at CQUniversity Australia
