

Cadetship Opportunity

CIVIL ENGINEERING CADETS

About the Company

Koppens Construction is a civil construction company committed to delivering **sustainable, efficient, and high-quality infrastructure**. Using the latest technology and experienced teams, they successfully deliver projects from planning through to completion.

They operate across **building, infrastructure, industrial, and marine works**, delivering both large public projects and smaller private developments. Koppens is **pre-qualified with the Department of Transport and Main Roads** and holds **Australian Government WHS accreditation**.

With proven experience in **remote and regional projects**, their skilled workforce, specialised equipment, and strong subcontractor relationships allow us to deliver safe, reliable, and cost-effective outcomes. Sustainability, quality, and continual improvement are at the core of everything they do.

Koppens delivers projects across Far North and regional Queensland, specialising in road construction, stabilisation and rehabilitation, water and wastewater infrastructure, subdivisions, and earthmoving.
