

Submit a Request for a FEE-HELP Loan Instruction Sheet

FEE-HELP is a loan from the Australian Government to pay all or part of your fees when you study a higher education course at an approved higher education provider. If you are eligible for and intend to use FEE-HELP, you must submit this request before the census date.

Request for a FEE-HELP loan

Your FEE-HELP loan is subject to the combined Higher Education Loan Program (HELP) loan limit and the renewable HELP balance. Visit www.studyassist.gov.au for more information so you understand how they affect you.

FEE-HELP is an Australian Government (Government) loan scheme to help eligible full fee-paying students pay their tuition fees. A 20% loan fee may be applied to your FEE-HELP loan if it relates to an undergraduate course at some providers, and this loan fee will be included in your HELP debt.

How to complete this form

You must:

- Read the [FEE-HELP information booklet](#) before completing this eCAF. This booklet contains detailed information about:
 - who can get a FEE-HELP loan and how it works,
 - the terms and conditions of the loan, and
 - an explanation of the words and terms used on this eCAF.
- Complete each question. Your form will not be valid unless each question is completed correctly.
- Submit this eCAF **on or before the census date** for your unit(s) of study. Note that your provider may set an earlier administrative date for the submission of the form - check directly with your provider.

Upon submission you will receive a printable PDF of the eCAF for your records. It is important that you retain a copy of your eCAF.

REMEMBER:

- You will get a FEE-HELP loan for a unit of study only if you remain eligible and have enough available HELP balance to cover your tuition fees.
- It is your responsibility to know your HELP balance. You must advise Central Queensland University if you do not have enough HELP balance to cover your tuition fees. You can check your HELP balance on the [myHELPbalance portal](#).

Check all information carefully. Some of the information on this form is supplied by your provider. You should thoroughly check these details and **if any of the information on this form is incorrect, do not submit.** Please notify your provider of any incorrect information.

If you do not have a TFN and are requesting one from the Australian Taxation Office (ATO), you can indicate this by selecting the *Certificate of application for a TFN* box.

SECTION C. CITIZENSHIP/VISA STATUS

9. What is the student's citizenship status?

☒ Australian citizen

☐ Permanent humanitarian visa holder or eligible former permanent humanitarian visa holder

☐ New Zealand citizen or New Zealand citizen who is a permanent visa holder

☐ Permanent visa holder

☐ Pacific engagement visa holder

☐ None of the above

Will the student be studying at least one unit of study in Australia?

☒ Yes ☐ No

SECTION D. TAX FILE NUMBER (TFN)

10. Tax file number (TFN):

☒ Your TFN has been verified with the Australian Taxation Office.

OR

☐ I have a 'Certificate of Application for a TFN' (you will need to supply this to your provider on or before the census date).

To be eligible for a FEE-HELP loan, you MUST supply your valid TFN or your Certificate of Application for a TFN in this section.

The department and your provider are authorised under the HESA to collect, use or disclose your TFN only for the purposes under HESA, including for the purpose of reporting details of your FEE-HELP loan to the ATO. To be eligible for a FEE-HELP loan, your TFN and personal information provided in this eCAF need to be verified with the ATO. If, by the unit's census date, the information supplied in your eCAF does not match your personal data held by the ATO, your application will not be finalised, and you will be ineligible for a FEE-HELP loan.

Declining to quote your TFN or your Certificate of Application for a TFN is not an offence. However, by not doing so, you will be unable to get a FEE-HELP loan for the amount of your tuition fees which remain unpaid at the end of the census date.

You need a TFN if you want to use a FEE-HELP loan to pay for your study as repayments on your HELP debt are made through the Australian tax system using your TFN to identify you.

By providing your TFN on this eCAF you are requesting the Commonwealth loan you the amount of tuition fees that remain unpaid at the census date for the unit(s) of study in your course. You will not receive the money, but it will be paid to Central Queensland University on your behalf. Privacy and taxation laws protect your TFN information.

Note: TFNs are usually provided within 28 days of application. It is essential that you apply early to make sure you have your TFN on or before the census date. The fastest way to apply for a TFN is with Australia Post. You can find how to apply at www.ato.gov.au/Individuals/Tax-file-number/.

Unique Student Identifier (USI)

It is a requirement for all commencing students to provide a USI on their Commonwealth Assistance Forms. If you have provided a valid USI to the University previously, this number will pre-populate on the form. If you do not have a USI, you can [create a USI](#) via the Government website. Once created, you need to provide your USI to CQUniversity via this [Provide your USI](#) online form.
