

CADETSHIP OPPORTUNITY

Ready to influence the future of engineering before you even graduate? Apply now for this cadetship opportunity and get a head start on shaping tomorrow's innovations.

ABOUT THE COMPANY

Bundaberg Regional Council was formed in 2008 by merging four smaller councils. Located in Queensland, Australia, the region offers a relaxed lifestyle with beautiful beaches, fishing, and outdoor activities. It's known for its friendly residents, affordable cost of living, and growing population. The region also features charming towns like Childers and Gin Gin, offering historical sites, natural landscapes, and a variety of experiences for both residents and visitors.

Bundaberg Regional Council is looking for a Civil Engineer Cadet to work closely with the Design team to assist with a range of investigation, design, and implementation work for infrastructure assets such as Transport, Stormwater, Water, and Wastewater. This is an exciting opportunity for someone looking to kick-start their career in civil engineering design.
