

CADETSHIP OPPORTUNITY

Ready to influence the future of engineering before you even graduate? Apply now for this cadetship opportunity and get a head start on shaping tomorrow's innovations.

ABOUT THE COMPANY

Proudly Australian and family-owned, we have built an enviable reputation for our premium drinks, including our iconic Ginger Beer both nationally and around the globe.

For four generations, and over fifty-five years, we have kept tradition at heart, brewing to traditional recipes, using time-honoured methods and the best quality ingredients. Guided by the rule, "if it's worth brewing; it's worth brewing well," our Ginger Beer is still craft-brewed in the Australian town that shares its name to a traditional recipe, using locally sourced ginger.

An exciting new opportunity has opened in our Engineering Team in our new state of the art manufacturing facility for a highly motivated and reliable Electrical Cadet.
