

Bundaberg Open Day 2026

THURSDAY 6 AUGUST 4.00 PM – 6.00 PM

Here's a quick checklist for the day, to get a closer look at **CQU Bundaberg**:

- ☐ Explore our facilities
- ☐ Meet our teaching and support teams
- ☐ Discover our on-campus and online courses
- ☐ Find out how we can support you with our wide variety of services.
- ☐ Learn about the different pathways available to you

ACCESSIBILITY & SUPPORT

We're committed to making Open Day welcoming and accessible for all attendees. If you have any specific access requirements or need support, please let us know when registering or contact us ahead of the event at futurestudents@cqu.edu.au. On the day, you're also welcome to speak with any **CQU staff member wearing a green shirt** or visit the **Welcome Booth** for assistance.

SUPPORT HUB | MAKERSPACE, BUILDING 5

CQU is proud to offer a range of support services designed to help you every step of the way. Visit our **Support Hub** in the Makerspace (Building 5), where our friendly team is ready to answer your questions and guide you through your options.

- **Academic Learning Centre (ALC)**
Learn more about how the ALC can assist you during your studies.
- **Skills for Tertiary Education Preparatory Studies (STEPS)**
Learn about CQU's FREE pathway program designed to build confidence, help you succeed at university and assist with meeting entry requirements.
- **CQU Global**
Learn how you can incorporate international study experiences into your degree.
- **Scholarships**
Speak to our Scholarships team to explore the wide range of funding opportunities available.
- **In-School Study Options**
Year 10 – 12 students can discover how they can get a head start on their studies.
- **SPOT Student Advisors**
Have questions about applications, pathways, scholarships, or student support? Our advisors are here to help!
- **TAFE**
Explore our broad range of TAFE qualifications that are available on campus or online. Ask about subsidies available, the application process and seamless pathways into further study.

BUILDING 5 (COURTYARD)

Agriculture

Speak to our leading experts in Agriculture and find out more about our latest research and Innovation in AgTech.

Business, Accounting, Property & Law

Chat with our friendly staff and discover how Business, Accounting and Law qualifications at CQU can provide industry-relevant skills, flexible study options, and personalised career pathways.

Digital Media

Love creating content? Chat with our media guru teaching staff and discover how your creativity can turn into a real career. Explore our digital media courses and gain hands-on skills in content creation, storytelling, design, and production for today's fast-moving digital world.

Education

Curious about becoming a teacher? Chat with our friendly, expert teaching team and map out your pathway into the classroom. Discover how your passion for learning can turn into a rewarding career in this high-demand field.

Engineering

Put your creative skills to the test with a range of engineering activities. Learn about the exciting projects our engineering students work on and how our engineering graduates are highly sought out. Ask the team about work placement and cadetship opportunities.

Fitness

Learn how hands-on training and industry-experienced teaching can prepare you to graduate career-ready, with pathways into roles such as gym instructor, personal trainer, or sporting coach.

Medical Science

Dreaming of a career in medicine? Chat with our current students and academic staff to discover where a Bachelor of Medical Science can take you.

Nursing

Discover how we combine a hands-on experience, comprehensive training, and a blend of online learning with on-campus residential schools and work placements to equip students with the skills and knowledge to excel in the healthcare field of Nursing.

Occupational Therapy

Discover how Occupational Therapy helps people build independence, confidence, and quality of life through practical, person-centred support, with hands-on industry placements across a variety of practice settings.

Physiotherapy

Make a positive impact on health and wellbeing through movement with an accredited degree that prepares you for a career as a qualified physiotherapist. Gain hands-on experience in labs and clinical placements to build the skills to assess, treat, and manage a range of conditions.

Psychology

Gain an understanding of how Psychology can make a positive impact on people's lives, be crucial in workplaces and how it can alter perceptions. Chat with one of our academics about where studying Psychology could take you.

Social Work

If social justice, respect for human rights and provision of human-centred services interests you, talk to our social work academics about how you can make a difference in your community through our course.

REGISTER FOR YOUR CHANCE TO WIN AND RECEIVE UPDATES ON THE OPEN DAY PROGRAM!

By registering, you will automatically be entered into the prize draw to win* great prizes, including a MacBook Air M4 (256GB), an Apple Watch SE 3, or a pair of Apple AirPods 4 with ANC.

You'll also receive updates about the Open Day program.

**Terms and conditions apply.*

TOURS AND INFORMATION SESSIONS

Nursing

Tour our purpose-built learning clinic, providing our Nursing students with extensive practical learning experiences and access to real life clients. Tour facilities and chat with our Nursing staff.

All prospects and staff attending this lab tour must wear enclosed shoes for safety reasons.

4.30pm

Meeting point outside Library

Building 3
