

BUNDABERG - THURSDAY, 10 AUGUST

4 PM – 6 PM

BUNDABERG CQUNIVERSITY CAMPUS

2023 EVENT PROGRAM

Discover your study options that could change your future at CQUniversity Bundaberg Open Day.

Explore our facilities, meet teaching staff and scout the best study options for you. With 250+ study options ranging from short courses, certificates, and diplomas to undergraduate, postgraduate and research higher degrees, you'll be sure to find the right pathway for you.

Our friendly lecturing and teaching staff are ready to have a chat about your study options. If you're unsure where to start, or have some tricky questions, come and chat to our expert team in the Careers Café who are ready to help.

CAREERS CAFE

Finds us in Building 5, room G.16!

Grab a **free 'Future You' cupcake** or snack and chat with expert engagement and support staff about how you can take the next step.

- **Academic Learning Centre (ALC)**
Find out how the ALC can support you while you study.
- **Future Students**
Don't know what you want to be yet or have an idea but need to know your next step? Chat with the future student team
- **Indigenous Support**
Meet the team and have a yarn about what support is available for Aboriginal and/or Torres Strait Islander students.
- **Skills for Tertiary Education Preparatory Studies (STEPS)**
Discover CQUniversity's FREE pathway program designed to build confidence and help you succeed at university
- **School Engagement**
If you're interested in our Start Uni Now (SUN) or Start TAFE Now (STN) programs, chat to our team to learn more.
- **Student Engagement**
Get answers to your questions on how to apply, entry pathways, scholarships, support services and more!
- **Queensland Tertiary Admissions Centre (QTAC)**
QTAC handles applications for most undergraduate programs at universities in Queensland. Chat with their team to find out more about the application process and get the answer to your questions.

ENTER FOR A CHANCE TO WIN

You will automatically be entered into the prize draw to win* some great prizes including a Macbook Air M1 (256GB), Apple Watch SE, or a pair of Apple AirPods (3rd generation) when you register for Open Day. Terms and conditions apply.

Simply scan the QR code and complete the registration form to go into the draw.

WHAT'S ON

INFORMATION SESSIONS

**BUILDING 1
ROOM G.04**

Find You at CQU Presentation @ 4.15pm

Join CQUniversity's Associate Vice President Luke Sinclair to hear about the exciting projects happening in the Bundaberg region, including future career opportunities. Learn more about us, the graduate outcomes we provide and how studying locally can give you a leading edge in your career.

FUTURE YOU ZONE ONE

**BUILDING 1
FOYER**

Engineering

Put your creative skills to the test with a range of engineering activities. Learn about the exciting projects our engineering students work on and how our engineering graduates are highly sought out. Ask the team about work placement and cadetship opportunities.

Physiotherapy

Chat with our academics about the variety of physiotherapy specialisations we offer and how through simulated learning environments you will graduate work ready in any physiotherapy field.

Occupational Therapy

Participate in a cognitive activity and learn more about the occupational therapy assistive technology we use to equip our students in finding creative ways to help others live an easier life.

Social Work

If social justice, respect for human rights and provision of human-centred services interests you, talk to our social work academics about how you can make a difference in your community through our course.

Business

Explore where you can take your business degree and the areas you can specialise in. Designed with flexibility in mind, chat to staff how studying business online can fast track you starting your career.

FUTURE YOU ZONE TWO

**BUILDING 5
COURTYARD**

Medical Science (Pathway to Medicine)

Speak to our first and second year medical students on how to prepare for the application process and find out more about the career advantages of studying medicine locally.

Nursing

Practice drawing blood with our high-fidelity mannequins. Learn how our mix of online learning and on-campus residential schools combined with work placements sets our students up for success.

Psychology

Chat to the team on how a psychology degree can be used to specialise in vast range of industries and careers. If you are interested in becoming a psychologist, find about the steps to get you there.

Agriculture

Speak to our leading experts in Agriculture and find out more about our latest research and innovation in AgTech.

Education

Speak with our expert teaching team about your journey to becoming a teacher. Take the chance to ask for tips to complete your personal statement (one of the entry requirements into our teaching course).

Digital Media

Chat to our media guru teaching staff about turning your passion for content creation into a career with our digital media courses.

TAFE

Explore our range of TAFE qualifications. Ask about subsidies available and the process of applying.
