

# CADETSHIP OPPORTUNITY

Ready to influence the future of engineering before you even graduate? Apply now for this cadetship opportunity and get a head start on shaping tomorrow's innovations.

## ABOUT THE COMPANY

**Cassowary Coast  
REGIONAL COUNCIL**

Cassowary Coast Regional Council is located in the beautiful north QLD tropics; a region that is a mix of town, rural and coastal communities boasting beautiful beaches, lush hinterland and scenic mountains. CCRC is the largest employer in the region, with over 400 employees in approximately 220 different types of roles.

It is an exciting time to be part of the Cassowary Coast Regional Council, our commitment to a shared set of values offers great experiences through the building of a dynamic and inclusive workplace and community culture. Council's 2021-2025 Corporate Plan outlines the overarching vision for the Cassowary Coast region 'to provide great experiences, deliver value and create a sustainable future for their community.' - One Coast - Cassowary Coast

CCRC is looking for an Engineering student to join our cadetship program – an opportunity to accelerate your professional growth as you combine part time work with study. Working under the guidance of experienced engineers and technical specialists, you will gain exposure to a range of projects and activities across the business that relate to your degree.
