

Cadetship Opportunity

CIVIL ENGINEERING CADETS

About the Company

Premise, now part of Amey—a UK leader in full lifecycle engineering, operations and decarbonisation—marks a significant step in Amey's expansion into the Australian and New Zealand markets. By combining Amey's scale and technical capability with Premise's strong local expertise, we strengthen our ability to deliver innovative, data-driven solutions for complex infrastructure and environmental challenges across Australia.

Founded on the principles of high-level expertise, personalised service and strong regional presence, Premise has built long-lasting relationships with clients, suppliers and communities. Our diverse skills, local focus and commitment to exceptional outcomes continue to shape an energetic culture dedicated to delivering practical, tailored solutions across both public and private sectors.
