ENGLISH LANGUAGE COURSES 2025

CQUniversityEnglish provides you with the skills and confidence for everyday communication in English and academic study. Our highly qualified and dedicated teachers will help you experience learning English in a supportive environment, and our small classes mean you receive greater interaction with a strong focus on your wellbeing and success. No matter what your English needs are, we can help you reach your goals.

OUR CLASSES

Our English classes are held from Monday to Friday and run for four hours each day (20 hours per week) plus a 30-minute break.

You will enjoy the fully interactive, communicative and collaborative teaching and learning environment, while developing essential study tools and strategies. These include teamwork, collaboration, critical thinking and problem solving skills.

TAKE QUIZ

‘CQU supported me through my journey of academic studies. This started through the English Language Centre where I participated in group activities and discussions. This built up my English language skills and confidence before commencing my PhD study.

The friends I met have helped me understand the different people and cultures of the world. Through them I have gotten to know the world better. I feel this has made me a better student, researcher, person and ultimately a better PhD candidate.’
