

CADETSHIP OPPORTUNITY

Ready to influence the future of engineering before you even graduate? Apply now for this cadetship opportunity and get a head start on shaping tomorrow's innovations.

ABOUT THE COMPANY

Custom Fluidpower, a leading provider in Australia, supplies a wide range of hydraulic, pneumatic, electronic, and instrumentation solutions, focusing on delivering end-to-end support for innovative hydraulic solutions.

Offering a comprehensive product range including pumps, motors, valves, manifolds, and more, they engineer advanced solutions tailored to specific requirements, provide full installation and commissioning services, ensure ongoing maintenance and support, and offer specialised hydraulic training modules nationwide.
