WHY STUDY AT CQUNIVERSITY

Career-ready graduates

Our worldwide partner and alumni networks give you international opportunities and connections to enhance learning, life skills and employment prospects from the start of your degree to long after you graduate.

Our graduates are highly sought-after, we are rated in the top ten Australian Universities for full-time employment and starting salaries.

The Good Universities Guide 2023.

Internships found for you

We are committed to ensuring our graduates are work ready by equipping them with real-world skills and up-to-date industry knowledge. To strengthen that commitment, we offer internships and work placements for many postgraduate courses for international students.

Being supported

As a student at CQUniversity, there is an extensive range of free support services available to help you reach your academic goals, enjoy your time at university and assist you to grow professionally and personally.

cqu.edu.au/internationalsupport

World-class research

CQUniversity engages with regional, national and international research communities and industry partners to increase research activity and offer outstanding research qualifications for students. CQUniversity is conducting research rated as at, above and well above world standards in many areas including: Agriculture and VET Science, Artificial Intelligence and Image Processing, Education, Engineering, Environmental Science, Human Movement and Sport Science, Mathematics, Medical and Health Science, Nursing, Psychology, and Public Health and Health Services.

cqu.edu.au/research

'I am proud to say CQU is one of the best universities in Australia. Throughout the two years the staff have been truly supportive, and I will forever be grateful. I am proud to say I have learned a lot. For me this was an unforgettable lifetime experience, and I will encourage more Papua New Guineans to choose CQU.'

Anna Klawe, Papua New Guinea

MASTER OF BUSINESS MANAGEMENT

WELCOME TO CQUNIVERSITY

CQUniversity welcomes students sponsored by the Australian government under the prestigious Australia Awards Scholarships (AAS) scheme to offer the next generation of global leaders an opportunity to undertake study, research and professional development at Australia's best learning institutions.

The AAS offers more than a degree. You gain an internationally recognised qualification and a life-changing experience in Australia.

The scholarship at CQUniversity aims to develop your skills and knowledge to drive change and contribute to the development outcomes of your home country.

About CQUniversity

For over 30 years, CQUniversity continues to be one of Australia's most accessible and inclusive universities. We are proud of all our students and graduates who have gone on to become an inspiration for change, growth, contribution and leadership.

CQUniversity has a dedicated team who provide support for Australia Awards Scholars before you arrive in Australia until you complete your course with us.

Explore our youthful and innovative university. Learn how you can join our community of growing minds and be what you want to be.

'The Australia Awards Scholarship has been a rewarding experience. I have gained a world-class qualification to become a podiatrist, this has been a life-changing journey.'

Shivaali Vanshika, Fiji

BACHELOR OF PODIATRY PRACTICE (HONOURS)

WHERE YOU CAN STUDY

CQUniversity has 12 supportive and secure campuses located throughout Australia. Most of our courses are offered at multiple campuses, which means you could choose your preferred location. You could even transfer study credits and campuses to see more of Australia.

MAIN CAMPUS

Rockhampton

Our tropical and largest campus features over 30 academic buildings including engineering and health precincts, nursing and paramedic science laboratories, a digital media studio and sporting facilities. Live on campus at our Student Residence amongst our beautiful parkland grounds where a family of kangaroos are often found lazing around.

Find out why international students choose CQUniversity.

'The Australia Awards Scholarship, as well as additional research funds, enabled me to purchase laboratory chemicals and to attend domestic and international conferences. CQU is generous to their students and studying at CQU is a very good decision.'

Do Van Huong, Vietnam

DOCTOR OF PHILOSOPHY (SCIENCE, ENGINEERING AND HEALTH)

PRIORITY AREAS

The Australian government, in conjunction with your government, determines priority areas that will help guide your choice of course at CQUniversity.* CQUniversity courses (including majors and CRICOS codes) that fit into these priority areas are:

COURSEWORK

Allied Health

- » Bachelor of Medical Laboratory Science (Honours) 097144D
- » Bachelor of Medical Science (*Biotechnology, Clinical Measurement, Nutrition*)[^] 072157E
- » Bachelor of Occupational Therapy (Honours)[^] 075754D
- » Bachelor of Oral Health[^] 094012g
- » Bachelor of Physiotherapy (Honours)[^] 075753E
- » Bachelor of Podiatry Practice (Honours)[^] 075755C
- » Bachelor of Science (Chiropractic)[^] 075757A
- » Bachelor of Speech Pathology (Honours) 075752F
- » Master of Clinical Chiropractic 0101879
- » Master of Laboratory Medicine 107331C

Business and Accounting

- » Bachelor of Accounting (*Management, Entrepreneurship and Accounting, Marketing*) 003386G

Doctoral Programs

- » Doctor of Education 075084D
- » Doctor of Philosophy (*Arts, Humanities and Education, Business and Informatics, Science, Engineering and Health*) 0100976
- » Doctor of Philosophy (Industry) 0100976

*Please check dfat.gov.au for full application information, including the level of study required to be eligible for the Australia Awards Scholarships from your country.

STEPS TO APPLY

Applications for Australia Awards Scholarships are received by Australian embassies or offices contracted to administer the scholarships on behalf of DFAT in a number of different countries.

For application information specific to your country, visit www.australiaawards.gov.au.

1. Find the CQUniversity course that interests you and meets the priority area for your country.
2. Indicate your preferred course and 'Central Queensland University' as your first preferred institution on your application.
3. Submit your application directly to the Australia Awards managing office in your country or online at the Online Australia Scholarships Information System (OASIS) at <https://oasis.dfat.gov.au>.

Each Australia Awards office has a different assessment process. If you are successful for the scholarship, you will be notified by the Australia Awards office in your country. The office will then apply on your behalf.

For more information about how the scholarship works, visit the Australia Awards Policy Handbook: dfat.gov.au/about-us/publications/australia-awards-scholarships-policy-handbook.

For opening and closing dates for study commencing in 2024 visit dfat.gov.au/people-to-people/australia-awards/australia-awards-scholarships-opening-and-closing-dates
