

Cadetship Opportunity

ABOUT THE COMPANY

JPR Welding is a specialist metal fabrication engineering company servicing the Mackay Region since 1992. We provide quality fabrication, repair and design of steel and aluminum for the Mining, Commercial and Marine industries.

JPR Welding offers the ultimate 'one-stop shop' when it comes to fabrication and rebuild work requirements, from design to fabrication. We are committed to working closely with our clients.

We offer advice and solutions every step of the way.
