

Cadetship Opportunity

CIVIL ENGINEERING CADETS

Location: QTMP Project | Fraser Coast, QLD

Roster: 5/2 (Monday–Friday)

Remuneration: Dependent on capabilities and experience

Contract Duration: Until April 2026

About the Role

We are seeking motivated and driven Civil Engineering Cadets to join the QTMP Project team on the Fraser Coast. This is a unique opportunity to gain hands-on project experience while developing your technical and professional skills in a supportive environment.

Key Responsibilities

- Assist project engineers and supervisors with planning, design and delivery of civil works.
- Support site-based construction activities including quality assurance, safety and environmental compliance.
- Collect, analyse, and interpret data for reporting and decision-making.
- Contribute to stakeholder and contractor coordination.
- Participate in learning and development opportunities as part of your cadetship.

About You

- Currently studying or recently completed a degree/diploma in Civil Engineering.
- Strong interest in infrastructure and construction projects.
- Willingness to learn, take initiative, and work collaboratively in a project team.
- Good communication, problem-solving, and organisational skills.
- Commitment to safe work practices.

What We Offer

- Structured development and mentoring within a major infrastructure project.
- Exposure to a broad range of engineering and construction activities.
- Opportunity to build a career pathway in civil engineering.
- Supportive team culture with real project responsibility.

Send Resume & Cover Letter | emma@pcpsolutions.com.au | Closes: 31st October 2025
