

Rockhampton Open Day 2026

SUNDAY 16 AUGUST 9 AM – 12 PM

Here's a quick checklist for the day, to get a closer look at **CQU Rockhampton**:

- ☐ Explore our facilities
- ☐ Meet our teaching and support teams
- ☐ Discover our on-campus and online courses
- ☐ Find out how we can support you with our wide variety of services.
- ☐ Learn about the different pathways available to you

ACCESSIBILITY & SUPPORT

We're committed to making Open Day accessible for everyone. If you have any accessibility requirements or support considerations to help you fully participate in the event, let us know when registering or contact us at futurestudents@cqu.edu.au. On the day, speak with a CQU staff member in a green shirt or visit the Welcome Booth for assistance.

SUPPORT HUB | LIBRARY, BUILDING 10

CQU is recognised for its outstanding support services, designed to help students succeed throughout their studies. From academic guidance to wellbeing and practical support, our friendly team is here to help. Visit the **Support Hub** in the Library to speak with our team, ask questions, and explore your options.

- **Academic Learning Centre (ALC)**
Learn more about how the ALC can assist you during your studies.
- **Skills for Tertiary Education Preparatory Studies (STEPS)**
Learn about CQU's FREE pathway program designed to build confidence, help you succeed at university and assist with meeting entry requirements.
- **CQU Global**
Explore how you can incorporate international experiences into your degree, including study abroad, exchange programs, and global learning opportunities.
- **Scholarships**
Speak with our Scholarships team to learn about the wide range of funding opportunities available and how they can support your study journey.
- **In-School Study Options**
Year 10 – 12 students can discover how they can get a head start on their studies.
- **SPOT Student Advisors**
Haven't found the answer you're looking for? Need help applying? Our Student Service SPOT team offers all-round support and advice.

YIRRAGU NULU NHUGUL - FIRST NATIONS PRECINCT

Visit our new cultural and learning hub, Yirragu Nulu Nhugul ("Here We Belong"), and pop by to chat with the team. Developed in consultation with the Darumbal People, Traditional Owners of the land, this purpose-built space is designed with cultural knowledge, language, and artwork throughout, reflecting connection, belonging, and community. It provides a culturally safe environment for learning, support, and gathering for students, families, staff, and visitors.

BUILDING 10 (GROUND FLOOR)

Queensland Tertiary Admissions Centre (QTAC)

Get expert guidance on applying for university, understanding entry requirements, and planning your future study pathway.

Applied Science (Lab Skills, Horticulture & Animal Studies)

Step into applied science with hands-on activities under the microscope and chat with staff about careers in laboratory skills, horticulture, and animal studies.

Business, Accounting, Property & Law

Chat with our friendly staff to discover how CQU qualifications in Business, Accounting, Property and Law can provide industry-relevant skills, flexible study options, and personalised career pathways.

Health Science

Explore the Bachelor of Health Science and discover pathways in aged, Indigenous, community and public health, health promotion, research, and allied health including physiotherapy, podiatry, occupational therapy and speech pathology.

Medical Science

Dreaming of a career in medicine or as a clinical measurement scientist? Chat with our current students and academic staff to discover where a Bachelor of Medical Science can take you.

Nutrition

Kick-start a diverse and rewarding career helping people and populations thrive with CQUniversity's Nutrition degrees.

Occupational Health & Safety

Explore Occupational Health and Safety and learn how to create safer workplaces by identifying, assessing, and managing risks across a range of industries.

Occupational Therapy

Build independence, confidence, and quality of life through practical, person-centred support and hands-on industry placements across diverse settings.

Oral Health

Experience how we combine hands-on learning with real-world experience to prepare you for a rewarding career in Oral Health, whether as a Dental Assistant or Oral Health Therapist.

Physiotherapy

Make a positive impact on health and wellbeing through movement with an accredited physiotherapy degree that combines hands-on lab and clinical experience to build skills in assessment, treatment, and care.

Podiatry

Take the first step into podiatry and prepare for an in-demand career diagnosing, treating, and preventing foot and lower limb conditions across hospitals, clinics, and private practice.

Public Health

Become a leader in improving the health of communities and the wider population with a Bachelor of Public Health at CQU.

Psychology

Gain an understanding of how psychology can positively impact lives, influence workplaces, and shape perceptions, and chat with an academic about where it could take you.

Speech Pathology

Speak to our friendly staff about diagnosing and treating communication disorders and helping people improve communication. Explore work-integrated learning opportunities, including placements and our purpose-built Allied Health Clinic.

BUILDING 30

Engineering, Information Technology and Aviation

Our engineering and IT students are in high demand. Explore our cutting-edge facilities and speak with expert staff about the broad range of courses. Designed with industry, these courses include work-integrated learning, paid placements, and cadetships to help you graduate career-ready. You can also discover how our aviation courses can help you take off in this dynamic industry.

Asset and Maintenance Management

Chat with the team about our postgraduate studies, which combine your practical experience with key theories and concepts to further develop your professional skills and knowledge.

Building Design

If you enjoy building, planning, drawing, and designing, CQU's Building Design courses offer a strong foundation for your career. Chat with the team and explore how project-based learning and real-world assessments prepare you to graduate work-ready.

NURSING & MIDWIFERY | BUILDING 18

Explore our labs and experience first-hand the simulated learning environments our students train in. Chat with our team to discover the flexibility of our Nursing and Midwifery courses. Speak with our passionate staff about the diverse career pathways available in Nursing and Midwifery and learn how you can now get started directly in Midwifery.

CAMPUS LAWN | OUTSIDE LIBRARY

Capricorn College - Student Residence

Meet the team from Capricorn College and find out about our on-campus accommodation option. For a closer look of our accommodation options, check out our tour times!

Education, Arts and Creative Media

Our friendly staff from the School of Education and the Arts are here to answer your questions about our array of courses across Education, Arts, and Digital Media. Find out about the journey to become a teacher, or take the opportunity uncover how you can build a career around your creative passions.

Paramedicine

Jump into the CQU Ambulance and experience hands-on simulated learning in our Paramedicine course. Become a qualified paramedic through the Bachelor of Paramedicine or choose our unique dual degree to expand your career options into emergency and disaster management roles.

Science, Environment and Agriculture

Chat with our team about our practical course options and discover why we are ranked in the top 10 universities in Australia for overall student experience in undergraduate Agriculture and Environmental Studies. Build a career that makes a real difference in your community with qualifications in Science, Environment and Agriculture.

TAFE ZONE | OUTSIDE LIBRARY

Explore our broad range of TAFE qualifications available on campus or online. Ask about subsidies, the application process, and seamless pathways into further study. When you choose a TAFE powered by a university, you'll gain job-ready skills to start working and earning sooner, with flexible pathways for your future. Upskill, retrain, or get started with certificates and diplomas available online and on campus.

REGISTER FOR YOUR CHANCE TO WIN AND RECEIVE UPDATES ON THE OPEN DAY PROGRAM!

By registering, you will automatically be entered into the prize draw to win* great prizes, including a MacBook Air M4 (256GB), an Apple Watch SE 3, or a pair of Apple AirPods 4 with ANC. You'll also receive updates about the Open Day program.

**Terms and conditions apply.*
