1 PURPOSE

- 1.1 This policy and procedure provides a framework for establishing, managing and evaluating [student accommodation services](#) to maximise their potential benefits and to ensure employee and student safety. This document outlines the process by which:
- student accommodation provider activities offer CQUniversity value in terms of return on investment and are aligned with CQUniversity's interests
 - student accommodation provider opportunities are effectively coordinated and assessed fairly and comprehensively, and
 - student accommodation providers are effectively managed and systematically evaluated to meet CQUniversity's ongoing needs including but not limited to the prescribed support and welfare of under 18 International Students.
- 1.2 This policy and procedure also provides a framework for establishing, managing and evaluating welfare arrangements for international students under the age of 18, including outlining the process by which applications from International students under the age of 18 are assessed to determine who will take responsibility for providing appropriate accommodation, support and general welfare arrangements until the student turns 18 years of age. International students under the age of 18 who are accepted to study at CQUniversity must either:
- stay at Student Residences in North Rockhampton or Mackay Ooralea campuses
 - live with a parent, or
 - live with a [Department of Home Affairs](#) (DHA) approved relative.

- 1.3 The policy and procedure adheres to Australian Government regulations ([The National Code of Practice for Providers of Education and Training to Overseas Students 2018](#) (Cwlth)) and Department of Home Affairs (student visa conditions) which requires students under the age of 18 to have appropriate accommodation, support and general welfare arrangements.

2 SCOPE

- CQUniversity employees

3 POLICY STATEMENT

- 3.1 The University offers long and short-term accommodation options for domestic and international students through student residences in Rockhampton and Mackay, homestay service in Rockhampton and approved third-party accommodation and homestay providers.
- 3.2 The University aims to connect students to suitable and safe accommodation in ways that reinforce a positive perception of the University by engaging the community, supporting the brand, and increasing student experiences.
- 3.3 [Student accommodation services](#) raise awareness and the profile of the University and as such, Student Accommodation Agreements and monitoring require formal management and involvement by senior and other appropriate employees.
- 3.4 The University is committed to ensuring approved welfare and accommodation providers meet the [Good Practice Guidelines for Enhancing Student Safety 2011](#) and the [Education Services for Overseas Students \(ESOS\) Act 2000](#) (Cwlth) requirements.

4 PROCEDURE

- 4.1 This policy and procedure sets out the processes to be followed when assessing, establishing, managing and evaluating student accommodation.
- 4.2 Failure to observe these requirements by any person to whom this policy and procedure applies may result in disciplinary action.

Managing student accommodation

- 4.3 The Director International, with the support of the relevant Associate Vice-President, will:
- provide orientation for the student, including age and culturally appropriate information on accommodation, emergency situations, contact details and reporting an incident, including sexual harassment, sexual assault and student distress
 - provide 24 hour, seven days a week telephone advice and emergency assistance and support, as required
 - maintain regular contact with the student and inform the Chief Operating Officer of any accommodation or welfare related grievances, and
 - immediately report any student critical incidents to the parents/legal custodian and the University.

 - stay at the University student residences in North Rockhampton or Mackay Ooralea campuses.
- 4.6 If the University takes on responsibility for approving the accommodation, support and general welfare arrangements (excluding guardianship) for a student under 18, the student's parents/legal custodian will be informed of the full details of the 'custodian' including:
- full name, address, date of birth, contact details, occupation, details of any pets and services that they can provide (computer access, swimming pool, etc.)

- 4.8 Before an international student under the age of 18 is admitted into a University course, an International Admissions Officer will ensure the student has a formalised residential agreement with the University Student Residences, or is staying with a parent/legal guardian or [Department of Home Affairs](#) approved relative. Where the student will be staying at Student Residences, the International Admissions Officer will ensure they have the parents/legal custodian sign an agreement accepting the conditions of the arrangements (excluding guardianship).
- 4.9 The Department of Home Affairs will not approve a student visa for an international student under the age of 18 unless the student is staying in Australia with a 'nominated guardian' approved by the Department of Home Affairs, who can be the overseas student's parent, person who has legal custody, or an eligible relative who is aged 21 and is of good character.

Students under the age of 18 will not be permitted to transfer provider without written parent/legal custodian permission. If the student is approved to transfer to another registered provider, the University will liaise with other registered providers to ensure the accommodation, support and welfare of the student is appropriate until:
