'I always had a fascination with Australia and was excited to come and visit. I thought living in a different country for a few months would be a perfect opportunity to discover Australia's culture and beauty. The class sizes were small, allowing me to have good connections with my peers and to feel confident asking questions to my professors.'

Chloe Shepherd | Canada

Putting myself in a new environment was a huge learning experience. It’s not always easy, but I encourage you to take that step and be brave.’

OVERSEAS STUDENT HEALTH COVER (OSHC)

It is a condition of your student visa that you, and any dependent family members, maintain OSHC for the duration of your studies. CQU's preferred OSHC provider is Bupa.
